

Contribution Form

Help make possible a genuine conversation among all Californians about the future of our state.

Contributing to "What's Next California" initially will help support the cost of the Deliberative Poll taking place June 24 - 26, 2011. After the Poll, contributions will help extend this discussion to even more Californians and allow us to continue to improve and expand the materials that support and inform the discussions. Thanks very much for your interest and partnership in empowering ordinary Californians to take part in catalyzing extraordinary change.

Please make checks payable to CA Fwd/What's Next Poll.
